

## Corporate strategies

Nature Benefit is a distributorship Thai's company and manufacture. We are imported and distributed cosmetic ingredients from worldwide which they are innovate and in-trend of Cosmetic world. In the same way, under collaboration with our research and development partners. We had our own manufacture for patented extraction and active ingredient from herbs, fruits and all GI plants bases from Thailand which some of them can be purified for the great benefit and hand-over through out cosmetic products.

## Distributionship

Innovated cosmetic ingredients / Korea

TiO<sub>2</sub>, ZnO Iron oxide, Silica coated, Talc, Silicite / Korea

HEC from cotton and extract / China

Silicone urethane, silicone / Korea

Pearlescent pigments / China

Manuka oil / New Zealand

Emulsifiers from olive oil and extract / Italy

Meadowfoam seed oil and Daikon seed oil  
/ USA

Emulsifiers, Silicone, Thickener, Preservatives  
/ China

よりよい成分 よりよい化粧品

三省製薬株式会社

Sansho Pharmaceutical Co., Ltd.

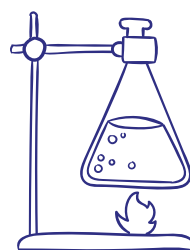

Extract and Active ingredients / Japan

**One** of our strong point is knowledge on cosmetic raw materials, chemistry and Thai traditional medicines. To balancing combinations of the knowhow, lead us to be produce a unique extract and active ingredients from locally plants, herbs, fruits which all of them bases plant and harvest in Thailand.

Inspired by the knowledge of traditional Thai medicine from one to next one generation. Elaborate creation from the richness in natural herbs—to our extract Thai ingredients.

Any selected farmers was evaluated by our criterias such as organic farm, high content of active, seasoning of harvest and including GI plants of Thailand etc.

## NaturEx<sup>®</sup> NaturPure<sup>®</sup>

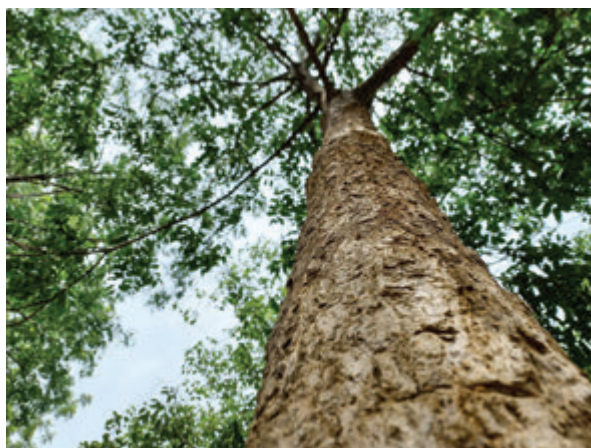

Our patent technique, combined Thai traditional way with technology for plant extraction. Including scientific innovation, to purify extract crude for more efficiency of use.

## Products Highlight

### Mahad extract

One of the natural sources of Resveratrol, an antioxidant.

### Mulberry leaf extract

The extract neutralize the enzyme Tyrosinase, which is an important component in skin pigmentation.

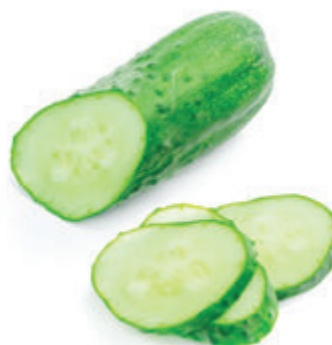

### Phaya yo extract

Thai traditional medicine used for anti-inflammation and anti-bacteria.

### Cucumber extract

A good source for moisturizer and anti-oxidant ingredient.

## Products Highlight (cont.)

### Thai ginseng extract

High content of flavonoids and polyphenol from natural. It effect to anti-oxidant, anti-aging function.

### Centella asiatica extract

A natural source of Triterpenoid glycoside. An anti-oxidant and soothing function to healthy skin

### Licorice extract

Glabridin and Dipotassium Glycyrrhizinate are main composition in Licorice. It called "natural whitening" for skin radiance.

### Garcinia Mangostana extract

Kiriwong species, Thailand GI's plant, one of the source quality and quantity in Thailand.

### Indian goosberry extract

Natural ingredients with the most rich vitamin C and Polyphenol substances. That helps resist the creation of melanin in the skin.

## Extraction list

Solvent: Propylene glycol  
 Application: Skincare, Haircare, Soap  
 Country of origin: Thailand

Ingredient Name	INCI name	Functions
สารสกัดกระชายดำ (Black ginger)	Kaempferia parviflora Wall. ex Baker	Anti-aging, Anti-inflammation, Anti microbial/bacteria , Blood circulation
สารสกัดกาวเครือขาว (Pueraria Mirifica)	Pueraria candollei Graham ex Benth.	Anti aging, Anti-inflammation, Anti oxidant, Moisturizing
สารสกัดแก่นมะหาด (Mahad)	Artocarpus lakoocha Roxb.	Anti-aging, Anti-tyrosinase, Anti-microbial/bacteria, Anti-oxidant
สารสกัดขมิ้นชัน (Turmeric)	Curcuma longa Linn.	Anti inflammation, Anti-microbial/bacteria, Anti oxidant
สารสกัดชุมเห็ดเทศ (Candle bush)	Senna alata (L.) Roxb.	Anti inflammation, Anti-microbial/bacteria , Anti acne
สารสกัดดาวเรือง (Marigold)	Tagetes erecta L.	Anti aging, Anti tyrosinase, Anti-inflammation, Anti-microbial/bacteria, Anti oxidant
สารสกัดใบบัวบก (Centella Asiatica )	Centella asiatica (Linn.) Urban.	Anti aging, Anti-inflammation, Anti-microbial/bacteria, Anti acne, Wound healing, Anti oxidant,
สารสกัดผิวมะกรูด (Kaffir lime peel)	Citrus hystrix DC.	Anti-inflammation, Anti-microbial/bacteria, Anti-oxidant, Anti danduff,
สารสกัดมะขามป้อม (Indian gooseberry)	Phyllanthus emblica Linn.	Anti-aging, Anti-tyrosinase, Anti-inflammation, Anti-microbial/bacteria, Anti-oxidant
สารสกัดเปปเปอร์มินต์ (PepperMint)	Mentha cordifolia Opiz ex Fresen.	Anti inflammation, Anti-microbial/bacteria, Anti oxidant, Hair growth
สารสกัดว่านชักมดลูกตัวเมีย (Curcuma comosa)	Curcuma comosa Roxb	Anti-inflammation, Anti-microbial/bacteria, Anti-oxidant
สารสกัดว่านนางคำ (Wild Turmeric)	Curcuma aromatica Salisb.	Anti-microbial/bacteria, Anti-oxidant
สารสกัดว่านหมามขม (Black turmeric)	Curcuma aeruginosa Roxb.	Anti 5Q-reductase, Hair growth, Anti-dandruff,
สารสกัดสมอไทย (Terminalia chebula)	Terminalia chebula Retz.	Anti aging, Anti-tyrosinase, Anti-microbial, Anti-oxidant
สารสกัดหนอนตายหยาก (Stemona collinsae.)	Stemona collinsae Craib.	Anti-microbial/bacteria, Anti oxidant
สารสกัดหูก้านประสาทราก (Umbrella tree)	Schefflera leucantha	Anti-inflammation, Wound healing , Anti-Oxidant
สารสกัดอัญชัน (Butterfly Pea)	Clitoria ternatea Linn.	Anti-inflammation, Anti-microbial, Anti 5Q-reductase, Anti-oxidant, Hair growth
สารสกัดชะเอมเทศ (Licorice root)	Glycyrrhiza Glabra (Licorice) Root	Anti-tyrosinase, Anti-inflammation, Anti-microbial/bacteria , Anti-oxidant
สารสกัดเปลือกมังคุด ( Garcinia Mangostana Peel)	Garcinia mangostana Khao Khiriwong Linn.	Anti inflammation, Anti-microbial/bacteria, Anti acne,
สารสกัดแครอท (Carrot)	Daucus carota L.	Anti aging, Anti microbial, Wound healing, Anti-oxidant
สารสกัดใบหม่อน (Mulberry leaf)	Morus alba Linn.	Anti-tyrosinase, Anti microbial, Anti oxidant
สารสกัดมะละกอ (Papaya)	Carica papaya L.	Anti aging, Wound healing, Anti-oxidant , Natural exfoliate
สารสกัดแตงกวา (Cucumber)	Cucumis sativus Linn.	Anti aging , Anti-tyrosinase, Anti inflammation, Moisturizer
สารสกัดพญาयो (Phaya yo)	Clinacanthus nutans (Burm.f.) Lindau	Anti aging, Anti-tyrosinase, Anti inflammation, Anti acne, Anti oxidant
สารสกัดหัวไชเท้า (Radish)	Raphanus sativus Linn.	Anti aging, Anti-tyrosinase, Anti oxidant
สารสกัดถั่วเหลือง (Soybean)	<b>Glycine max</b> (L.) Merr.	Anti aging, Anti-tyrosinase, Anti inflammation, Anti oxidant,
สารสกัดงาดำ (Black Sesame)	Sesamum indicum Linn	Anti aging, Anti inflammation, Wound healing, Anti oxidant,
สารสกัดข้าวกล้องหอมมะลิ ดินภูเขาไฟ (Thai Brown Jasmine Rice)	Oryza sativa L	Anti aging, Anti-tyrosinase, Anti oxidant
สารสกัดข้าวหอมมะลิแดง (Thai Red Jasmine Rice)	Oryza sativa L	Anti aging, Anti-tyrosinase, Anti oxidant
สารสกัดข้าวหอมมะลินิล (Thai Black Jasmine Rice)	Oryza sativa L, Anthocyanin	Anti aging, Anti-tyrosinase, Anti oxidant
สารสกัดข้าวเหนียวลิ้มบัว (Leum Pua Glutinous Rice)	Oryza sativa L, Anthocyanin	Anti aging, Anti-tyrosinase, Anti oxidant

## HIGH SHEAR MIXER

Model	HSM 2003SV	HSM 2003DV
Mixing capacity	0.5 - 12 Litres	
Machine dimensions (LxWxH)	350 x 360 x 770 mm	
Weight	15 kg	
Motor	0.5HP (0.37kW)	
Power supply	Single phase, 220V, 50/60Hz	
Nominal speed	1000rpm & above (6000rpm under full load)	
Speed range	0-6000rpm (variable speed electronically controlled)	
Motor height adjustment	Electrical	
Mixing component material	Food and medical grade stainless steel 316L	
Rotor diameter / stator design	35mm / Single vortex	45mm / Double vortex
Machine base	Corrosion resistant aluminium base with height-adjustable non-slip rubber feet	

### Quick Interchangeable Attachments (optional)

#### MIXING

#### DISPERSING

#### EMULSIFYING

#### MILLING

PROCESS MIXER

### Why Choose Multimix?

-  Manufacturing Capability & Mixing Insights since 1996
-  One-stop Solution for Industrial Mixers and Equipments
-  Flexibility to customize mixer for various applications and capacities
-  Reputable clients in diversified industries
-  Full range of mixers from lab to production
-  Ships worldwide

For more information and demonstration, please contact to our sales staff via [sales@naturebenefit.co.th](mailto:sales@naturebenefit.co.th)
